Memorandum

To: Dr. Aleksandar Stevanovic, Assistant Professor
Department of Civil, Environmental, and Geomatics Engineering

From: Mohammad Ilyas, Dean *Muallik*

Date: February 14, 2014

Subject: 2014 Researcher of the Year Awards

The College Research Committee met recently to review the applications for 2014 Researcher/Scholar of the Year Awards. After a thorough review and careful deliberations, the committee has presented its recommendations to the Dean's office.

I am pleased to inform you that the College Research Committee has recommended that your application for Researcher of the Year award at the Assistant Professor level be forward it to the University Research Committee for further deliberations. This is certainly a confirmation of a sustained record of your research/scholarly accomplishments. We appreciate the visibility that your efforts bring to the College.

Thanks.
